Re: In the Matter of Dean Maulhardt
FPPC No. 06/649

Dear Mr. Gillig:

The Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act")¹ found in California Government Code Section 81000 and following. On August 21, 2006, the Commission received a complaint alleging violations of the conflict of interest provisions of the Act regarding a governmental decision made by your client in his capacity as a city councilmember for the City of Oxnard.

Based on our review and investigation, we have determined that your client's real property was not directly or indirectly involved in the decision on January 10, 2006, regarding the Victoria Lakes Golf Course. Specifically, the evidence shows that the decision involved the funding of the construction for the back nine holes of the Victoria Lakes Golf Course, which was not within 500 feet of your client's real property. As such, there is no basis for a conflict of interest violation under Section 87100 of the Act. Therefore, our file in this matter has been closed.
